COURSE IN SPIRITUAL DIRECTION

Presented by the CENTER FOR SPIRITUALITY
The Circuit of Southeast Pretoria Of The Dutch Reformed Church

In collaboration with

PURPOSE

The Lord uses our spiritual disciplines (habits of faith) to teach us to live closer to Him. Spiritual direction is one of the most valuable faith habits, because it repeatedly helps you to return to the reality of your life.

A spiritual director is a person with whom you can converse about all aspects of your life, who is a witness to your life and your path with God, towards whom you feel accountable, who helps you to see more clearly where God is present in your life, and ultimately facilitates a deeper relationship with God.

The aim of this course is to learn the art of spiritual direction by practicing the theory in depth. Participants personal and spiritual development is thoroughly facilitated during the course.

BACKGROUND

Since its inception in 2006, the course falls under the Centre for Spirituality of the Circuit of Southeast Pretoria of the Dutch Reformed Church, but also joins Excelsus, the Centre for Further Development of Ministry at the University of Pretoria. Ministers can earn 150 CPD points for completing the full course.

The course was started in 2006 by a Franciscan nun, Sister Mary Fisher. Later, she and Dr Willem Nicol joined forces to present the course together. In 2013 she returned to the USA, but her legacy in spiritual direction and contemplative spirituality lives on in the spiritual landscape of South Africa.

All denominations are welcome to sign up for the course, and the books prescribed are sourced from contemplative spirituality and theology. The spirituality to which you will be exposed, will take you on a journey and is more encompassing than the traditional and mainline religious paths.

The language of instruction for the course is English.

We encourage participants who are older than 34 years of age.
